COMPOSITION TASK

Write an interesting story ending with the following sentence:

"…that is the day I will never forget."

SAMPLE COMPOSITION

That Is the Day I Will Never Forget

It was a bright Saturday morning when I woke up feeling very excited. My parents had promised to take me to the town to buy new school shoes. I quickly took my breakfast, dressed up and waited for my father.

After a short while, we left home and travelled by bus. When we reached the town, the streets were very busy. My father held my hand tightly as we walked through the crowded market. We bought the shoes and some books before deciding to go home.

As we were walking back to the bus stop, I noticed an old man looking worried. He was searching through his pockets and looking around. I asked him what was wrong. He told us that he had lost his wallet, which contained money and important documents.

My father and I helped him look for the wallet. We searched near the shops and along the road. Suddenly, I saw something lying under a bench. I picked it up and discovered that it was the old man's wallet.

The old man was very happy when I gave it back to him. He thanked me and told me that my honesty had saved him from a lot of trouble. My father was also proud of me. On our way home, I felt very happy because I had helped someone in need.

When I reached home, I told my mother everything that had happened. She hugged me and encouraged me always to be honest and helpful. **That was the day I realised that even a small act of kindness can make a big difference. That is the day I will never forget.**
